Where the value sits

V9 business

Dr. Steven Perry

Former CFO of Visa

“After my time at VISA Europe I wanted to guide a business that could revolutionise payments. V9 is that business and as Chair I am delighted to be involved.

At V9 we are very fortunate to be working with partners across the UK who support our vision: to challenge, innovate and to disrupt.

We very much look forward to welcoming you as a Partner of V9.”

Message from the Chairman

About

V9 business

V9 Business has pushed the boundaries of payments since its inception in 2016.

We are now the number one provider for businesses looking to both enter the payments market or for established payments businesses to move their business over to us.

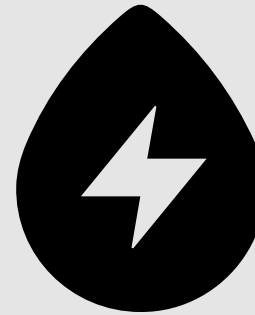

We are continuously adapting our platforms, commercials and product range, which is now the largest available in Europe.

Your Brand, Your Merchants, Your Future.

leading
and most
innovative
payment
provider.***

Industry's we support

Business Start-ups

V9 Business is the simplest way to start your payments company. With the platform, products and all the support you could need, there really is no easier way to make your impression on the market.

Merchant Service Professionals

V9 Business is an excellent choice if you have an existing team selling merchant services or if you are currently working for a merchant services provider.

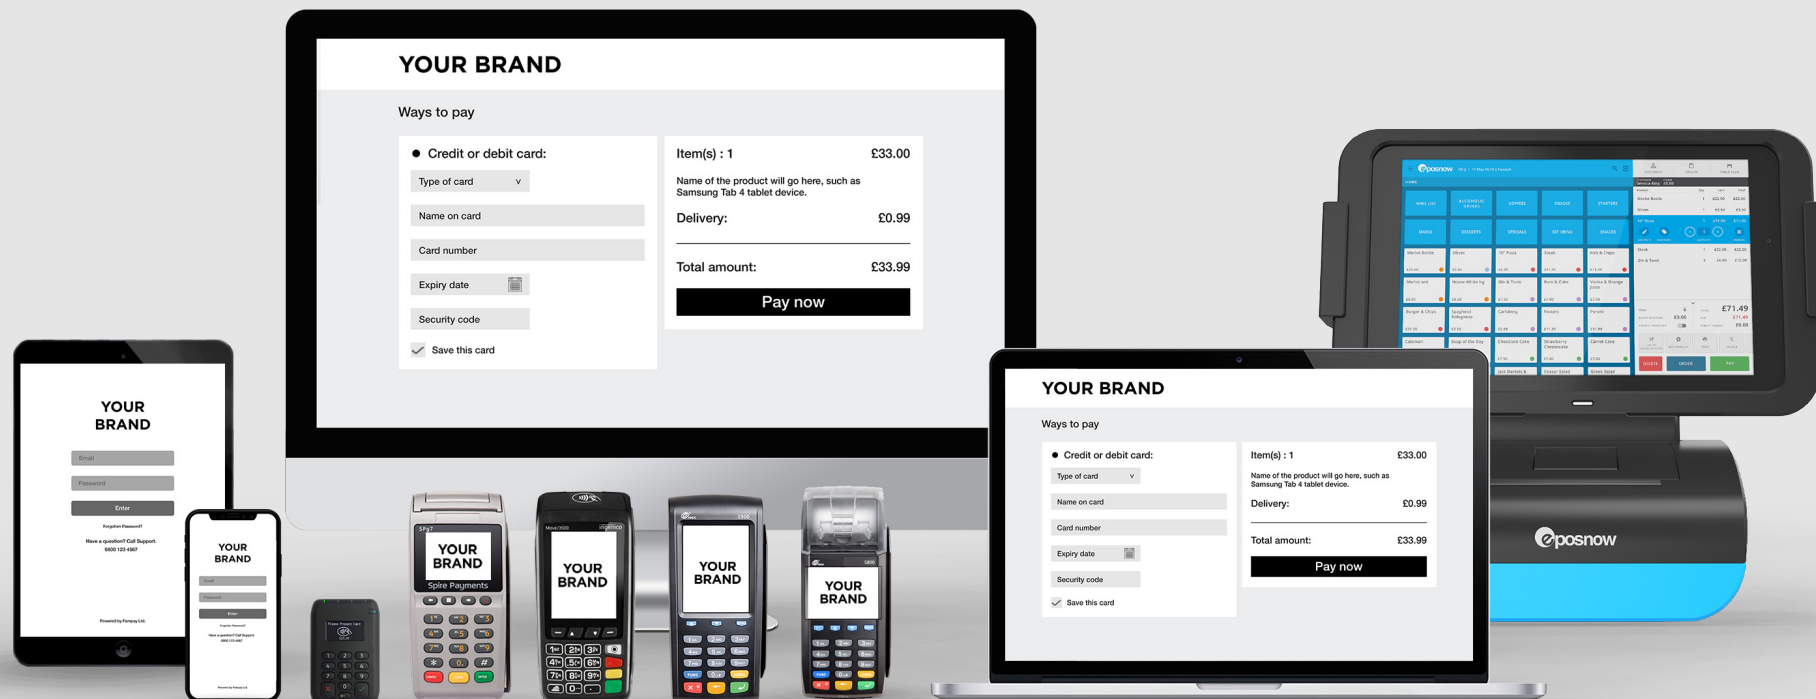

Utility Companies

If you are currently selling Utilities into your customers then upsell Payments and increase the return from your customer base.

Telecom Companies

If you are currently selling Telecoms into your customers then upsell Payments and increase the return from your customer base.

Leading the Payments market with the most powerful platform, products and commissions in the industry!

Terminals - e-Commerce Gateway - Virtual Terminal - Mobile Payment - ePosNow

Europe's largest product range

The most powerful line-up in payments.

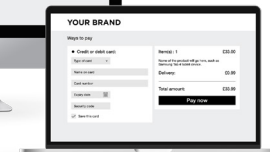

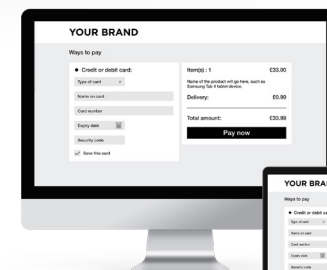

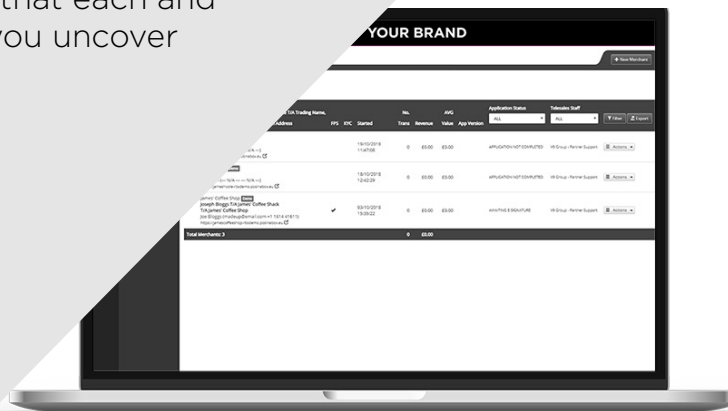

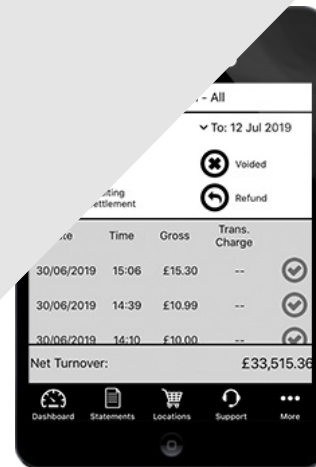

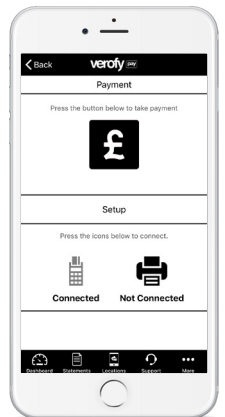

V9 Business has partnered with the biggest names and brands in the industry, so you don't have to!

Our partners enjoy the benefits that come with V9 Business when it comes to our range of products.

With our collective power, we are regularly approached by product manufacturers and providers who want to benefit from having their products included within the V9 Business Boarding Platform.

We will continue to build the range of products to ensure that each and every opportunity you uncover can be catered for.
